

## Introduction

Combine the flexibility and responsiveness of agile with the clearly defined framework of Prince2® for a complete project management solution. PRINCE2 Agile® is an extension module tailored for forward-thinking organizations and individuals already benefiting from PRINCE2. It provides guidance on how to apply agile methods to the world's most recognized project management method.

## Course details / objectives

- Understand the basic concepts of common agile ways of working.
- Understand the purpose and context for combining PRINCE2 and the agile ways of working.
- Be able to apply and evaluate the focus areas to a project in an agile context.
- Be able to fix and flex the 6 aspects of a project in an agile context.
- Be able to tailor PRINCE2® to an agile project environment.

## Who should attend?

PRINCE2 Agile® training and certification is designed exclusively for PRINCE2 Practitioners seeking to apply agile concepts to the world's most recognized project management method.

## The standard package inclusions

Delegates will receive a pre-course study guide, the official PRINCE2 Agile® textbook, a course workbook (with copies of all slides used), the PRINCE2 Agile® syllabus, sample exams and the examination rationale (explanation of answers to questions). The costs for the examination is included. Refreshments and a light luncheon are also included.

## Duration and Delivery

4 Day Instructor-led classroom. The methodology will be covered during the first three days and this will include the foundation examination. The fourth and fifth days will be used to work with sample project scenarios and practitioner examination preparation.

## Evening work and exam preparation

Delegates should plan to spend time reviewing the day's work and preparing for exams, during the evenings of the course.

## Pre-course work

For a week before the course, participants should spend 2 hours each evening preparing. The pre-reading consists of the PRINCE2 Agile® textbook, which you will need to be familiar with. For more information regarding the reading, please refer to the Pre-course Workbook.

## Prerequisites

Participants must be PRINCE2® Practitioners to take this course.

## Examination

The PRINCE2 Agile® exam is a 2.5 hours exam comprising 50 multiple choice questions. The exam is open book. The pass mark is 60%.
